

Do you agree we need to make it safer and easier for children to walk and ride a bicycle to school?

Australian children are less likely to walk or ride a bicycle to school than children from most other OECD countries.

## Children walking or cycling to school

To make streets easier to cross, are you willing to consider the following:

Select all that apply

- More crossing facilities, e.g. raised crossings ("wombat crossings")
- Reducing traffic speeds in built-up areas
- Reducing car traffic volumes
- Other: Pedestrian islands are far safer than raised wombat crossings.

To protect neighbourhoods from "rat running" do you support low car traffic neighbourhoods?

Low traffic neighbourhoods prevent rat running by only allowing local traffic and encouraging walking and cycling. Photo source: Mark Sutton, cycling industry news.

In order to make it safer for children to walk to school, do you support 30 km/h limits in neighbourhoods?

International best practice is 30km/h for local streets. Read more about the benefits of 30km/h streets and myth busting <https://theconversation.com/busted-5-myths-about-30km-h-speed-limits-in-australia-160547>

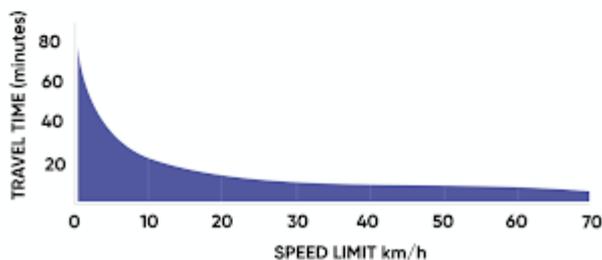

### Travel time urban area

	Average Speed	Travel time for 1km	Travel time for 3.5km
	5km/h	12 min	42 min
	15km/h	4 min	14 min
	21km/h	2.9 min	10 min
	26.4km/h	2.3 min	8 min

Trees provide shade and improve the walking environment, do you support increasing tree canopy over walkways?

Strongly oppose      1      2      3      4      5      Strongly support

What are your thoughts about improving walkability in our LGA?

Have an independent Councillors who listen to the local residents, show some leadership and vision and stand up against party-political lobbyists and donors who perpetually advocate for lowest cost/highest profit developments.

Please specify any council motions that you supported or proposed to make walking better in our LGA (please provide a description, date and/or motion number).

Camden walk/bike track along the Nepean River, walking paths in Gundangurra Reserve, connection from Mt Annan into Australian Botanic Gardens and walking path from Camden to Narellan. Still advocating for paths from Carrington Retirement complex to Camden and South Camden to the Camden High School site.
