To make streets easier to cross, are you willing to consider the following:

Select all that apply

More crossing facilities, e.g. raised crossings ("wombat crossings")

Reducing traffic speeds in built-up areas

Reducing car traffic volumes

Other:

To protect neighbourhoods from "rat running" do you support low car traffic neighbourhoods?

Low traffic neighbourhoods prevent rat running by only allowing local traffic and encouraging walking and cycling. Photo source: Mark Sutton, cycling industry news.

What are your thoughts about improving walkability in our LGA?

I did a course in the Netherlands where riding is a higher priority than driving. Loved it

Please specify any council motions that you supported or proposed to make walking better in our LGA (please provide a description, date and/or motion number).
